b.Outline about control panel in short. a.Summarize the advantage and disadvantage of internet. OR b. Narrate the components and ethics of internet communication. a.Explain in brief about encrypting a document. OR b.Sketch the steps to calculate average in excel sheet.	Answer ALL Questions		
a.Summarize the advantage and disadvantage of internet. OR b. Narrate the components and ethics of internet communication. 8 a.Explain in brief about encrypting a document. OR b.Sketch the steps to calculate average in excel sheet.	OR		
8 a.Explain in brief about encrypting a document. OR b.Sketch the steps to calculate average in excel sheet.	7 a.Summarize the advantage and disadvantage of internet. OR		
-	8 a.Explain in brief about encrypting a document.		
	b.Sketch the steps to calculate avera	ge in excel sheet. Cont	

9 a.Produce the steps in sound insertion in powerpoint presentation.

OR

b.State the need of cascading style sheet.

10 a.Explain about the importance of documentation in food industry.

OR

b.Describe the application of ERP in food industry.

SECTION -C (30 Marks)

Answer ALL questions
ALL questions carry EQUAL Marks

 $(5 \times 6 = 30)$

11 a.Categorize the components of hardware system.

OR

b.Classify various components of window.

12 a.Discuss about the application in working of internet.

OR

b. Highlight the components of email.

13 a.Infer the steps involved in printing a word document.

OR

b.Trace the steps in calculating t test in excel sheet.

14 a.Outline the steps in creating slides in powerpoint presentation.

OR

b.Enumerate the application and concept of corel draw.

15 a.Elucidate the methods of documentation.

OF

b.Discuss the guildlines of ERP in food processing industries.
