PSG COLLEGE OF ARTS & SCIENCE

(AUTONOMOUS)

BCom DEGREE EXAMINATION MAY 2023

(Fifth Semester)

Branch - COMMERCE(BUSINESS PROCESS SERVICE)

RESEARCH METHODOLOGY

Time: Three Hours	Maximum: 75 Marks
	SECTION-A (10 Marks)
	Answer ALL questions
ALL	questions carry EQUAL marks $(10 \times 1 = 10)$
1 The research developments and experien	is a critical evaluation and examination of past events,
(i) Experimental research (iii) Applied research	(iv) Historical research
2 The research	ch always begins with some hypothesis which the researcher
wants to test. (i) Experimental research (iii) Applied research	(ii) Non-experimental research (iv)Historical research
3 A is the overa (i) Research source (iii) Research design	ll plan or programme of research. (ii) Research problem (iv) Research method
4 The research	aims to solve a problem by enriching the field of application
of a discipline. (i) Pure research (iii). Descriptive research	(ii) Applied Research(iv) Experimental research.
5 The physical material from(i) Sampling frame(iii) Sampling method	m which samples are chosen is called a (ii) Sampling unit (iv) Sampling design.
6 A is a form of replies to be filled in by t	containing series of questions and providing space for their
	(ii) Case study
(i) Field survey (iii) Questionnaire	(iv) Interview schedule
	rch always begins with some hypothesis which the researcher
wants to test. (i) Experimental research	(ii) Non-experimental research
(iii) Applied research	(iv) Descriptive research
	and for a comple of size less than 30
	used for a sample of size less than 30. (ii) 'F' test
(i) Chi-square test (iii) 't' test	(iv) 'Z' test
9 Sometimes references	made to authors in the text are serially numbered and their
details are given in	(ii) Table of contents
(i) Abstract	(iv) Appendices
(iii) Footnotes	
gathering or of being pu	sually written with the object of being read in a professional ablished in a journal is the shortest in length. (ii) Dissertation
(i) Research paper	(iv) Report
(iii) Thesis	Cont

SECTION - B (35 Marks)

Answer ALL Questions

ALL Questions Carry **EQUAL** Marks

 $(5 \times 7 = 35)$

11 a Explain the process involved in research.

OR

- b Explain the identification of research problem.
- 12 a What are the steps involved in preparing a research design? Explain.

OR

- b Explain the principles of sampling.
- 13 a Distinguish between Questionnaire and Interview schedule.

OR

- b State the scales of measurement.
- 14 a Briefly explain the various criteria for developing a good hypothesis.

OR

- b Explain the steps in hypothesis testing.
- 15 a What are the qualities of good research report? Explain.

OR

b Describe the layout of the research report.

SECTION - C (30 Marks)

Answer any THREE Questions

ALL Questions Carry **EQUAL** Marks

 $(3 \times 10 = 30)$

- 16 Enumerate the classifications of research.
- 17 Narrate the different types of sampling techniques.
- 18 Deliberate the methods of data collection.
- 19 Elaborate the Parametric test and Non-parametric test.
- 20 Elaborate the steps involved in preparation of research report.
